Good afternoon Gentlemen: Attached are two action memos that need your review and

concurrence, "South Jersey Ice" short form and "Niagara Falls Boulevard that should be ready to be sent to HQ for their concurrence.

Paul is working on the newest site Action Memo for Carville Leather, which will require additional funding which we plan on asking Walter for additional money through a verbal sometime next week. Joe and Walter are both aware of and expect this request.

I am expected to receive Mike Brescio's new site Becker Plating Action Memo by COB today he will require additional funding fairly soon as well.

Please let us know if you have any questions or comments Thanks
